The main content area is titled 'Topic outline' and contains a welcome message for virtual mobility students. It provides general information about the module, including links to forums, descriptions, technical help, pedagogical help, and video conferences. A section titled 'VLHE module questionnaire for students' includes a pre-testing questionnaire quiz. The course is organized into sub-modules, with the first one being 'Culture models (4 hours)', delivered by Jyväskylä University, Finland, and taught by Prof. Jan Pawlowski and Philipp Holtkamp. This sub-module includes guidelines, a discussion forum, and an organization and assessment section with a learning diary and an activity 1: Learning Diary (Finland). The right sidebar contains several widgets: 'Latest News' (Add a new topic...), 'Upcoming Events' (No news has been posted yet), 'Exabis E-Portfolio' (My Portfolio, Shared Portfolios, Export SCORM-File), 'Calendar' (November 2011), 'Events Key' (Global, Course, Group, User), and 'Recent Activity' (Activity since Saturday, 26 November 2011, 03:36 PM).
